

I have been a full-time resident (Lot 3, Block 11) for over four years and have volunteered for two committees since moving here. I currently serve on the Roads Committee and have for about two years. Before that, I served on the Fire & Safety Committee with Tom Wootton and others. I have also served as administrative officer for Lori Silva for several years. I currently have the ability to send mass texts to our community members with the HOA's Simple Texting service.
